WEB DEVELOPMENT – ACTIVITY BASED LEARNING

Selected Questions: 16, 17 and 18

Name: Veeranki Ramakumari

Roll Number: 26000068

Section: CSE 1

16. Travel Agency Website

Selected Question / Statement

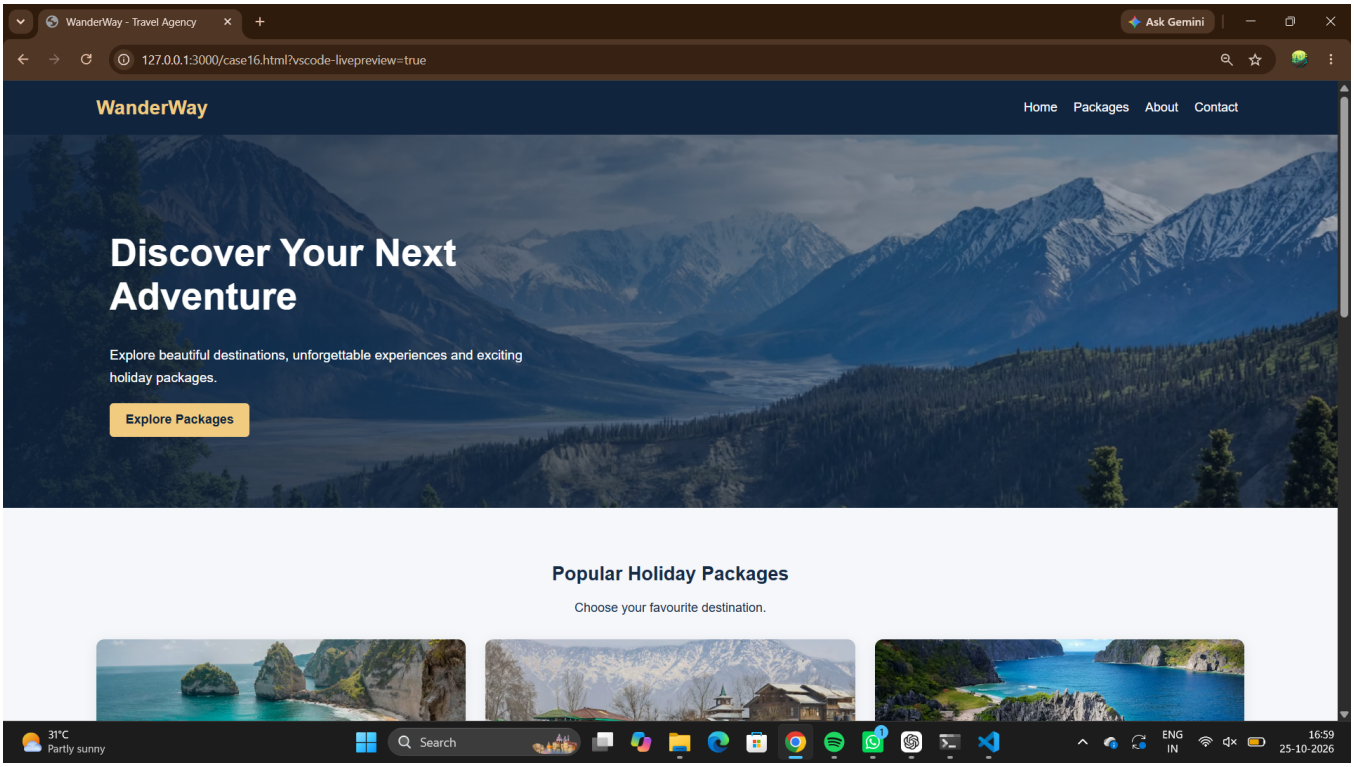

Develop a travel portal presenting holiday packages, popular destinations, trip durations, prices, itineraries, and travel inquiry forms. Use destination cards, hero images, and responsive layouts.

Explanation

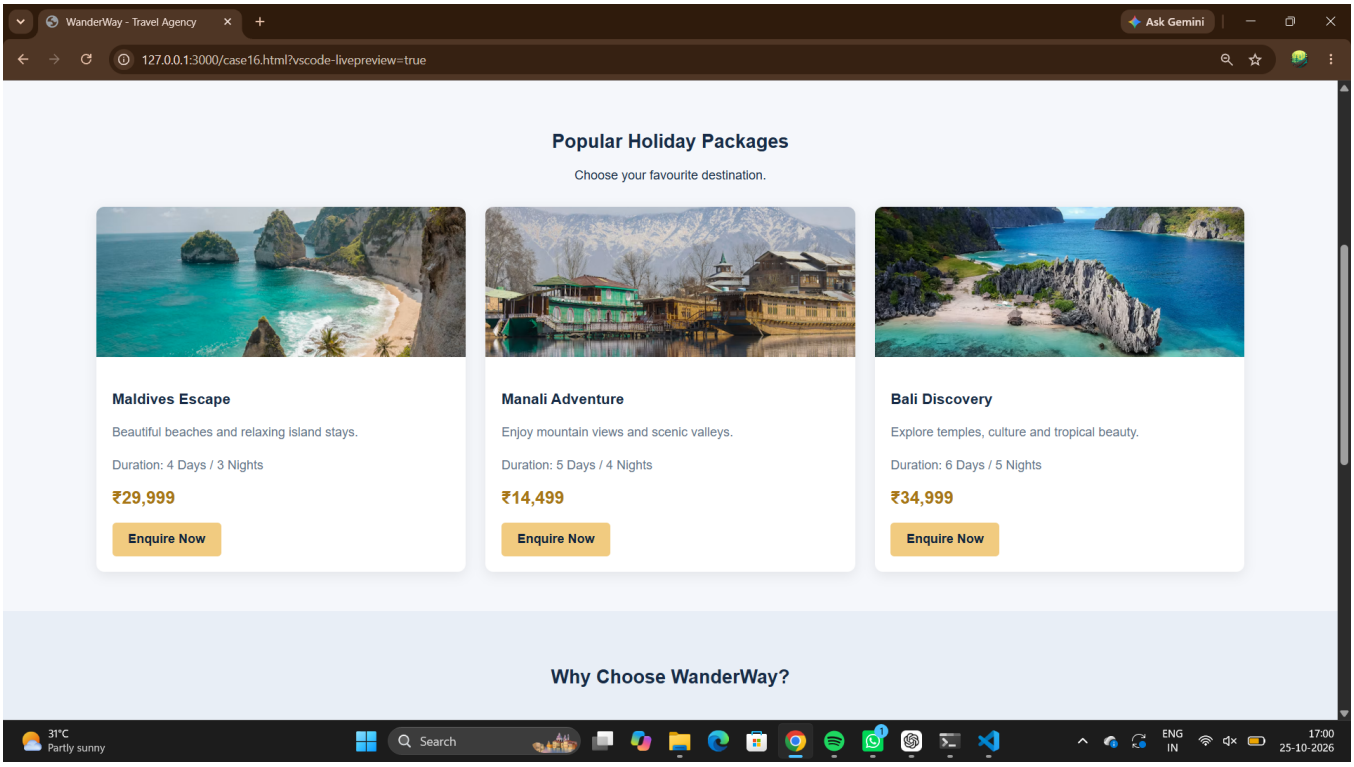

The website presents holiday packages with destination images, trip durations and prices. It also includes a travel inquiry form for visitors to share their trip details.

17. Tourism and Heritage Information Website

Selected Question / Statement

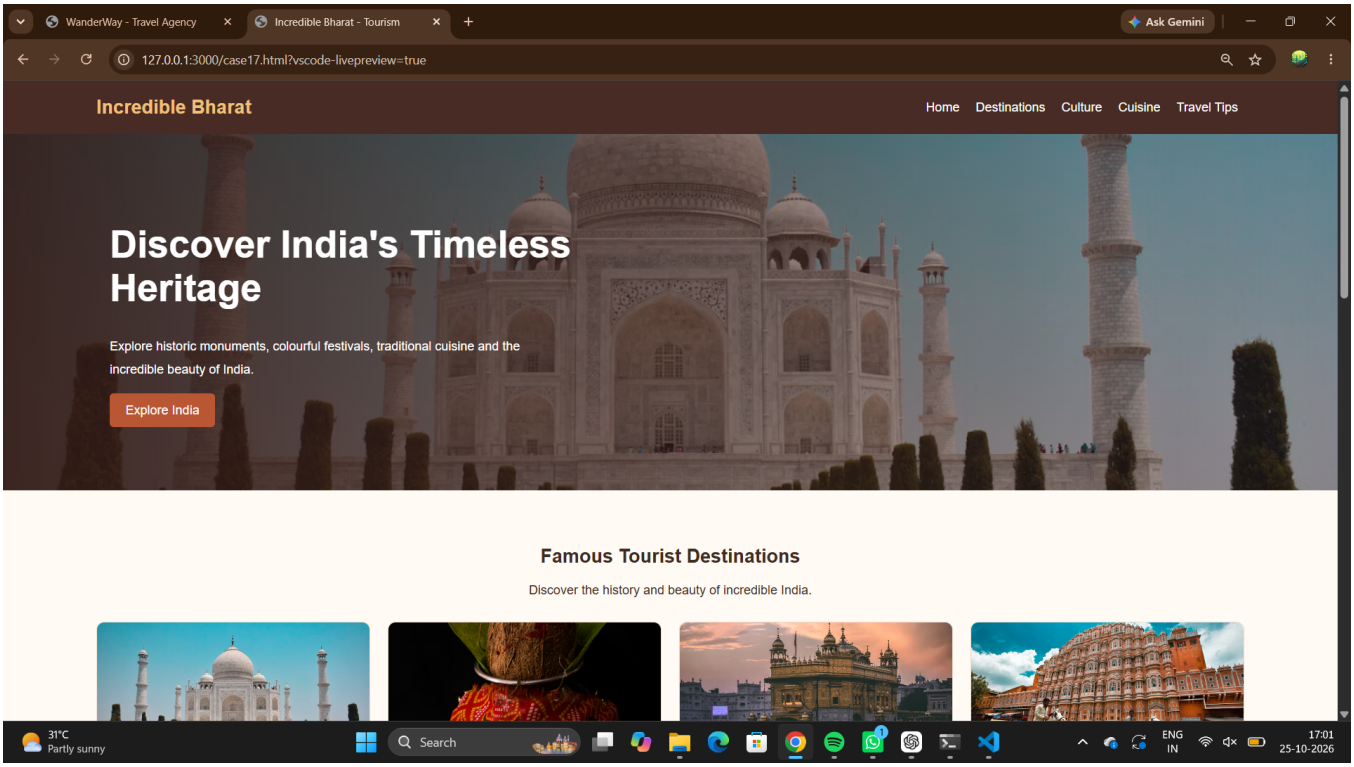

Create a tourism website featuring historical monuments, cultural festivals, famous destinations, local cuisine, travel tips, and image galleries. Organize content by region and attraction type.

Explanation

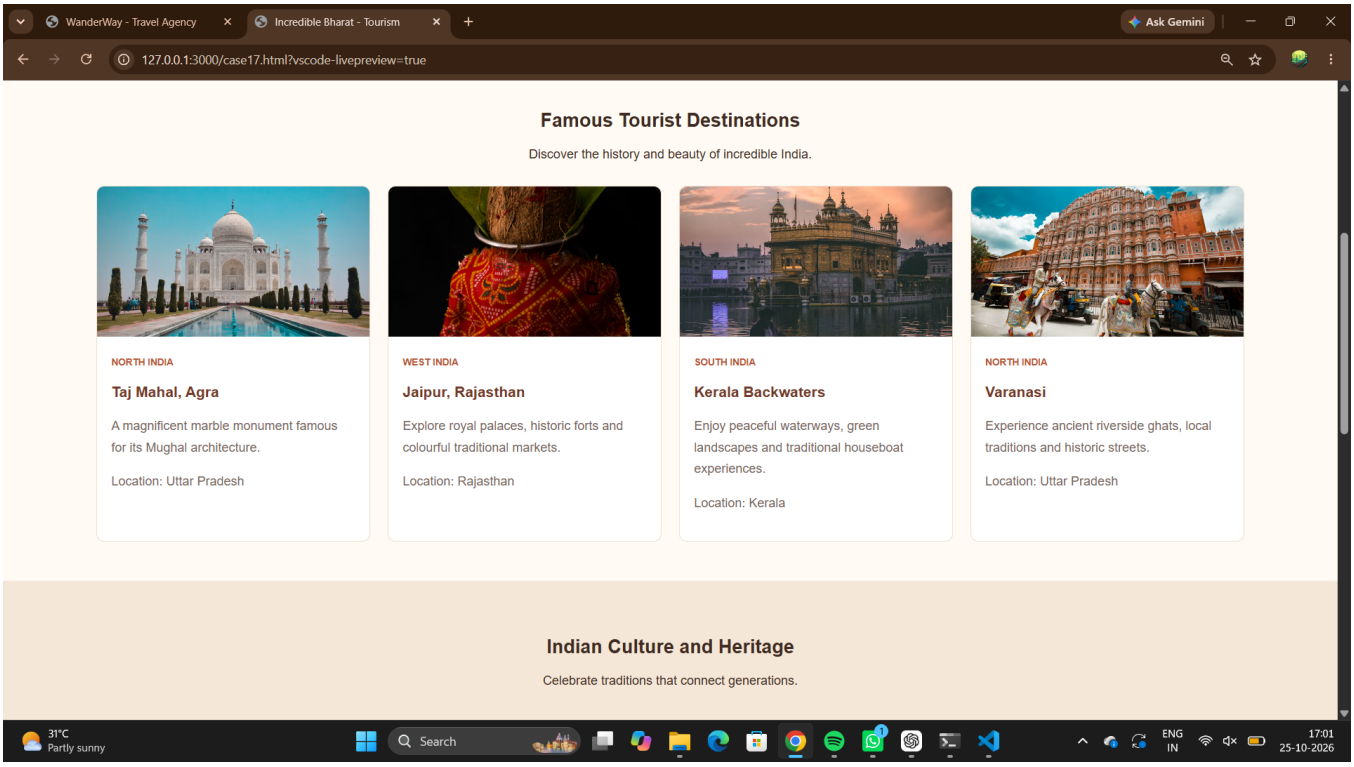

The website introduces famous Indian destinations and heritage attractions. It also presents Indian culture, festivals, regional food and responsible travel tips.

18. Hotel Reservation Website Interface

Selected Question / Statement

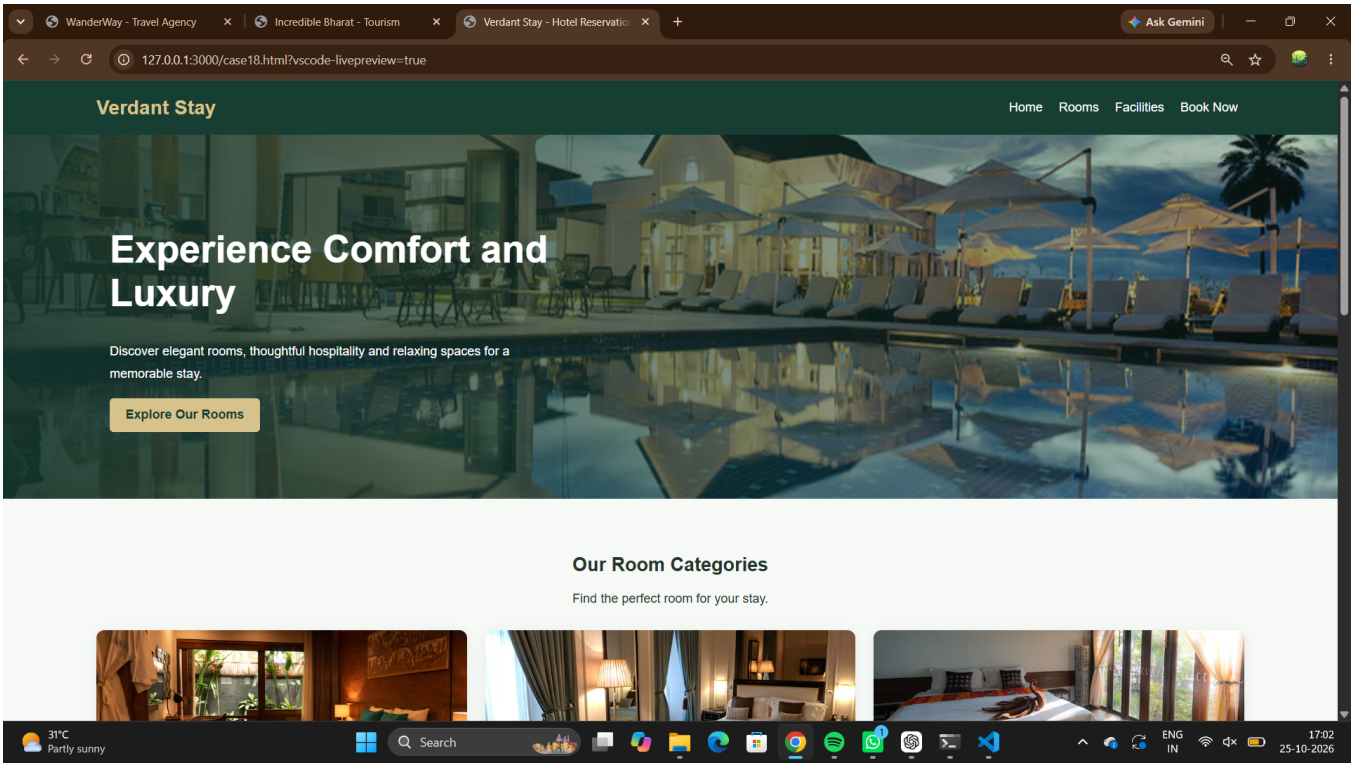

Design a hotel website containing room categories, room images, facilities, tariffs, check-in and check-out fields, and reservation forms. Create attractive room cards and responsive booking sections.

Explanation

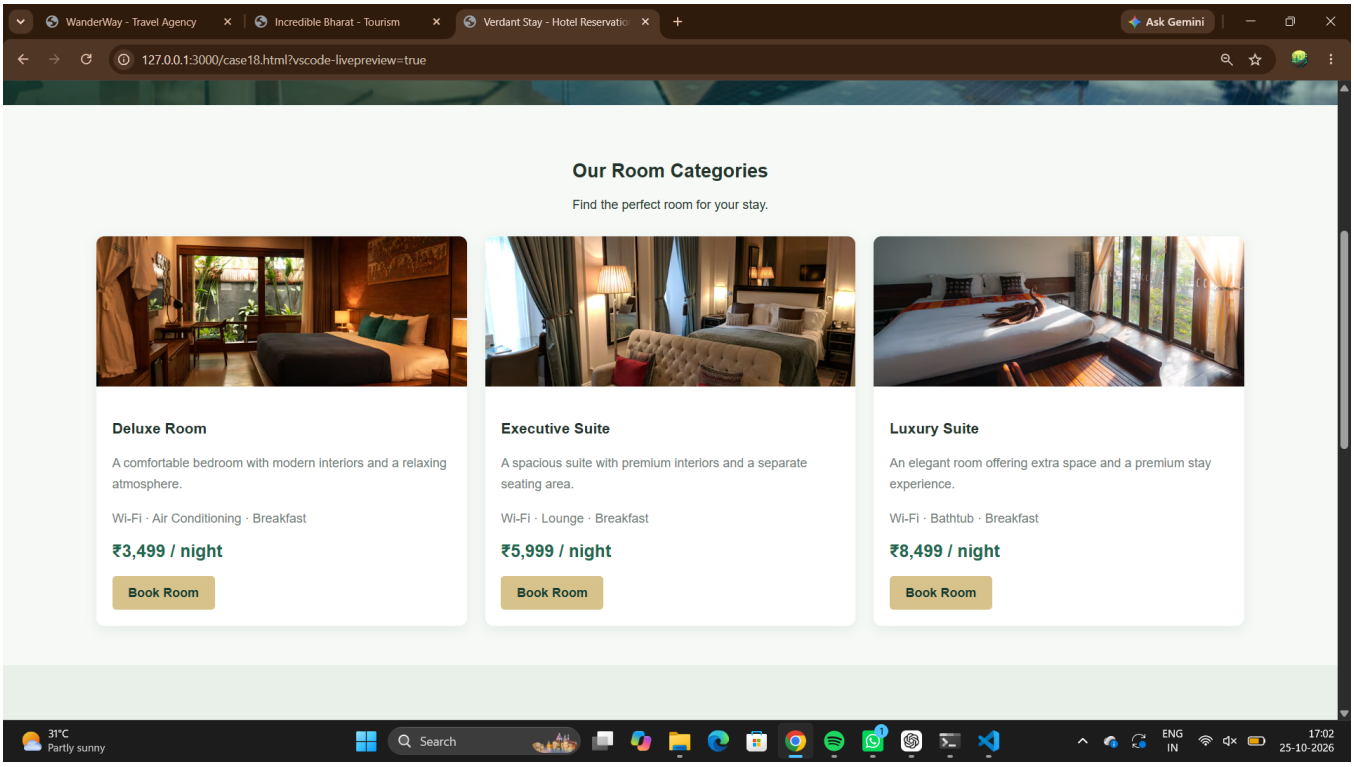

The website displays hotel room categories, images, facilities and prices per night. A reservation section collects guest details, check-in and check-out dates, room category and number of guests.
